

Circus Moves
body. mind. spirit.

LIBRARY MENU

Circus a la carte! Don't see just what you like?
Ask us about our create-your-own options!

Wired Up!

All ages audiences hear an animated reading of an award winning story centered on empowerment through wire-walking and then experience a real tight-wire right in the library! 60-90 minutes. All ages | Tightwire is 10' long/18" high | Book choices: The Man Who Walked Between the Towers or Mirette on the High Wire.

Flash Mob Circus/Family Circus

Two options for perfect for large groups of active humans, and everyone gets to enjoy a taste-test of circus skills. Family, all ages, and/or age specific workshop options available. 60-90 minutes.

Circus of Crayons

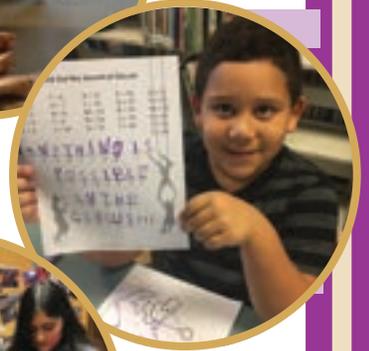

Young audiences enjoy a sweet reading of Harold's Circus followed by a hands-on STEAM activity. Every participant goes home with their very own big purple crayon! 30-40 minutes, can be lengthened by adding circus movement activities. All ages, best suited to PreK & early elementary.

Make-A-Juggler

Participants learn to make their own juggling balls and learn how to use them! Circus Moves provides all materials and instruction. Multiple time and format options available. All ages, but best suited to tweens, teens, and adults.

Pop-Up Circus Zone

Community Fun for Everyone! A colorful and exciting space, accessible to all ages and abilities, no time limit, and there is never a wait! We bring more than 100 pieces of circus equipment and a couple of experts to guide the way. All ages, up to six hours. Most appropriate for larger community events.

Behind the Scenes: Our evidence-based activities promote social emotional development, physical literacy, and STEM learning!
